FOUR-YEAR STARTERS BREAK RECORD

## Knaggs, Ruddy, DeBarr share Whiteford record for games played

BY DOUG DONNELLY

The Monroe News

It's hard to throw something new at the seniors on Whiteford's football team.

After four years, the Bobcats are about as experienced as any group of players in Monroe County Region history.

Drew Knaggs, Ryin Ruddy and Hunter DeBarr played in their 46th career game Friday to set the school record for most games played.

"It's unreal," said Whiteford head coach Todd Thieken. "Not only have they played but they've started – every game for four years. That's just incredible. When you think about our offense and our defense, nothing has changed for these kids for four years. I hope some of what we do is muscle memory for them by now."

In 2020, Knaggs, Ruddy, DeBarr and twins Jack Iott and Jake Iott were summoned right to the varsity when practice began and were in the Bobcat starting defense when the season started.

Knaggs moved into the starting lineup at fullback as a sophomore. The others became full-time, two-way starters as juniors. Both of the Iott brothers missed a playoff game in 2020 due to COVID-19 and Jack Iott has missed a couple of games due to an injury since. But, all four are four-year starters.

"When those kids were freshman, they probably shouldn't have been starting, but that was our situation at the time," Thieken said. "What I love about it is how they've matured over the years."

The seniors have been part of 41 victories against just 5 losses.

There were some growing pains. The 2020 team started 1-2 with the win being a 44-42 shootout victory over Morenci.

What followed was a five-game winning streak to reach the District finals against Summerfield, where they lost 34-14. That's the last time Whiteford lost a game at home.

The 2021 team went 8-1 in the regular season and reached the Division 8 state semifinals before losing 28-22 to eventual state champion Hudson in a game where they led 22-0 at halftime. That was Whiteford's last loss.

The Bobcats have won 24 straight games since, including the 2022 state

championship, to tie the Region record for longest win streak ever. They equaled the mark of 24 set by Whiteford from 2017-2018.

Friday's District final at home against Hudson will be their 14th playoff game.

"Because of the playoffs, we've got an extra season and a half," Ruddy said. "It's pretty incredible. It's a thing that not a lot of people get to experience."

DeBarr, who rushed for more than 1,000 yards last year and is the team's top rusher this season, said he has come a long way athletically over the years.

"Just to be able to keep playing and stay injury free has been a blessing," he said. "The coaches helped us out a lot since we were really little. I can say confidently that whatever they throw at me I know that's what's I'm doing."

The record the trio broke was held by Shea Ruddy, who graduated last season after starting 45 career games.
